

R. Binks

Trooper R. Binks KIA (Killed in Action)

Reggie (AKA Jappie) grew up next door to the Norris family and is included here as a token of respect and great friendship I had with this fine young Rhodesian who gave his life for his country at the tender of 17.

The photo used was taken just prior to him leaving Umtali to enlist with the RLI and I would say it is late December 1967

Rest in Peace Reg
