Tribute from Tickey's Daughter Mandy

What can I say about my Dad anyone who knew him will remember him for his infectious laugh and joking nature. He was a man who could always make a plan and come out on top. He called a spade a spade, if you wanted the truth without the trimmings he was your 'go to man'. There is not a day that I don't think of him and miss him terribly, I wish I had slowed down and had a couple more beers with him. I was lucky enough to have worked for the same company as him for the last six years of his life. What a pleasure and an honor, he made the weeks and years funny and enjoyable, all too quickly they have gone. Cheers to you, my Dada till we meet again, until then I will see you in the eyes and mischievous antics of your grandchildren.

Love Mandy
