NOTICAS

VANCIE MEYERS

25th June 2008

Sadly Vancie Meyers passed away this afternoon 25th June 2008, after a long battle with prostate cancer.

Vance late of the RLI and Selous Scouts and numerous other hard knock schools will be very sadly missed by all. A man's man who lived life to the full - God bless him.

Our thoughts are with his family at this time.

Kindest regards,
Fraser Brown
