Table of Contents

- Sexual harassment
- Racial harassment
- Workplace bullying
- Pregnancy harassment
- Preventing and managing workplace harassment
- Investigating and prosecuting
- Mediating workplace harassment
- The liability of the employer
- Litigating and arbitrating a workplace harassment dispute
- Compensation and damages
- Criminal charges

The book addresses three pertinent issues: the employer's responsibilities in terms of the prevention of harassment; how an employer should intervene when faced with allegations of harassment in the workplace; and the employer's liability in the event of harassment taking place.

The team of authors are experts in labour law and dispute resolution, and combine this expertise, as well as their practical experience, in a book that merges theory, legal analysis and practical guidelines for dealing with the various forms of harassment in the workplace.
